Dear Parents and Caregivers

It has been great to see so many of our students come back to school this term after a rather unusual end to term 1. We really missed them - after all what is a school without the students? Stuart High School teachers were well prepared to offer a mix of offsite and onsite learning and I want to publicly acknowledge their outstanding effort and professionalism in providing continuity of learning for our young people. This could not have happened without the excellent support of our SSO team.

Thankyou

To our families - thankyou for working with us over the past few weeks on ensuring your children are able to continue to get the best education. We have sent you lots of communications – emails, letters and texts and you have responded in a timely and supportive manner. We look forward to being able to meet with you again in person, hopefully in the not too distant future.

Facilities

Our students continue to deserve the very best of everything. I am very pleased to inform you that the quadrangle redevelopment is finally going ahead and should be finished early term 3. There will be a clay surface basketball court, seating, trees and shade structures. New tables and chairs have been purchased for all classrooms and will gradually be distributed over the next few weeks. The old Music Room was removed from our site during the holidays.

1:1 laptops

All students now have access to their own brand new laptop for daily use at school. This will occur once parents/ caregivers have signed the ICT

agreement you received via email or post.

Student Free Day

Friday 5th June is a Student Free day. Staff will be commencing the much awaited Berry Street training, previously postponed due to COVID 19. The Berry Street Curriculum is purposely designed to support improved engagement and academic outcomes for our young people through the development of strong and positive relationships. The morning will be devoted to Berry Street and in the afternoon the focus will be learning design and assessment.

New Whyalla School

Construction on Whyalla's new \$100 million secondary school has begun, with South Australian based Sarah Constructions managing the build.

On Tuesday 5th May, I attended a ceremony on-site to commence the building of the new school. Attendees included Mayor Clare McLaughlin, Carol Williams Education Director, Flinders and Whyalla Partnership, Minister Dan van Holst Pellekaan, Eddie Hughes MP, Aboriginal elder Barry Croft, Terry Kildea – Project Manager for SARAH Construction and the Principals of EJE and WHS. It is very exciting to finally see action on the site.

Kind regards

Lanterns

The UneARTh Lantern competition was run as a project across three classes last term. The aim of the project was to encourage students to be involved with and support community initiatives. Students designed and constructed a lantern either individually or in pairs using recycled materials. Students utilised paper mache techniques, boxes, variations of paper lantern making techniques, torches and battery powered fairy lights.

Students received recognition in the following categories:

Most Outstanding

Jai Johnstone

Daniel Hall

Most Creative

Shakira Milanese

Highly Commended

Elora Middleton

Indya Collier

Caleb Nolan

Zeke Edwards

CAR PARK SIGNAGE

Parents and caregivers will no longer be permitted to park in the car park, or drive through to drop of and pickup students and no traffic is to be on the unsealed dirt tracks adjacent to the school car park.

This is to ensure the safety of students. It is the department's position that traffic movement be kept off all school sites.
